CENTRE DE RECERCA
EN ECONOMIA INTERNACIONAL
GENERALITAT DE CATALUNYA
UNIVERSITAT POMPEU FABRA

The Centre de Recerca en Economia Internacional (CREI) is a research centre sponsored by the Universitat Pompeu Fabra (UPF) and the Generalitat de Catalunya. It is located at the campus of the UPF in Barcelona.

CREI's objective is to promote research in international economics and macroeconomics subject to the highest standards of academic scholarship.

Els Opuscles del CREI are the instruments for the diffusion of CREI's research beyond the academic world. Each *Opuscle*, aimed at a general public, gathers together conclusions and observations of specialized papers published, or about to be published, in professional journals. The opinions stated in *Els Opuscles del CREI* are the sole responsibility of the authors.
