

## BARCELONA GSE SUMMER FORUM 2015 CALL FOR PAPERS

The Barcelona GSE organizes the third **Barcelona GSE Summer Forum**. The Summer Forum is a series of independent workshops and policy events that cover the main fields of Economics. The third Summer Forum will take place from June 8 to 20, 2015.

More detailed information on the Barcelona GSE Summer Forum 2015 and the previous editions is available on <http://www.barcelonagse.eu/summer-forum.html>

**We would like to invite you** to submit a paper to the **workshop** on:

### FINANCE AND MACROECONOMICS

This workshop is jointly organized by the Barcelona GSE and the Centre de Recerca en Economia Internacional (CREI). The goal of this workshop is to discuss recent developments in the study of the interaction between finance and macroeconomics. We encourage submissions of theoretical and empirical papers addressing issues including (but not limited to):

- Sources of asset price fluctuations: fundamentals and bubbles
- Asset prices, financial frictions and the amplification/propagation of shocks
- Interactions between financial and labor-market frictions
- Microeconomic evidence on the effects of asset price changes on firms and households
- Financial regulation and the macroeconomy
- Asset prices and the conduct of monetary and fiscal policy
- Debt overhang and macroeconomic implications of deleveraging
- Dealing with financial crises, domestic responses and international policy coordination

The workshop will take place on **June, 15-16, 2015** in Barcelona.

The **deadline for submissions** is January 31, 2015. To submit a paper, please use this [LINK](#). Submissions should include either a full paper or an extended abstract with the main results. Authors chosen to present papers will be notified approximately by February, 2015. A preliminary program will be announced by March 1 2015.

Please note that Barcelona Summer Forum is a series of independent workshops. When you submit your paper, you will be able to see the topics and dates of other workshops that will take place within the Summer Forum. You are welcome to submit papers to other workshops.

We will accept around 8-10 papers for presentation in the workshop with formal discussants for each paper. Travel and accommodation expenses will be reimbursed to all participants, according to specified guidelines.

The Barcelona GSE Summer Forum is supported by the Severo Ochoa Research Program (SEV2011-0075). The “Finance and Macroeconomics” workshop is supported by CREI through the European Research Council Consolidator Grant Agreement 615651 “The Macroeconomics of Collateral”.
